## WEBINAR

Bystanders are in a position to stop abuse from happening, to prevent abuse from escalating or support someone involved. Want to learn more?

Join us for one inspiring hour focusing on:

## The Bystander Approach to Prevention

During this webinar we will:

- Explore the role of the bystander: who is a bystander and what impact can they have?
- Understand the psychological and social barriers to becoming an effective bystander, and how to navigate around those barriers
- Discover the MATE Bystander Intervention Framework
- Apply the framework to real world scenarios
